I am a working mother and morning is the busiest time of the day for me. I get up at 6:30 in the morning and the first thing I do is to make my lunch. After that, I take a shower and get dressed. Then, I eat a small breakfast. I am ready to wake up my son, Jesse, at about 7:15. Jesse is six months old. He wants a bottle as soon as he gets up. Then, I give him his breakfast. He is very happy in the morning, and I have time to play and talk with him for about 30 minutes. At 8:15, I put him into his seat and drive him to my mother's house. I'm really lucky because my mum only lives about two miles from me. She doesn't like driving, so I drive to her house. She knows I love a cup of coffee in the morning, so she always has a fresh pot of coffee for me. We sit and talk for about ten minutes. Then, it is time for me to leave for work.

M: Welcome to Children's Fun Club.

W: Nice to meet you. My name's Paul. Can you tell me where your offices are?

M: They're in London, but we send information to children in Europe, India and the USA.

W: What's the club about?

M: We want to help children get better at school with reading and writing, so they like these subjects as much as things like sports or painting.

W: What do you send to the club members this month?

M: It's a magazine about films and videos. A month ago everyone got a red pen. It's always something different.

W: Great! (pause) How old does a club member have to be? I'm thirteen.

M: That's fine. Some children in the club are only ten. We just say that you can't be older than fifteen. The club will be just right for you.

W: And how much does it cost?

M: Five pounds for a year or three pounds for six months.

W: OK, thanks.

W: Maybe in the town center. I had it when I got off the bus.  
M: Was there much money in the bag?  
W: No, there wasn't. I usually have forty or fifty pounds in it, but today I think there was only about twenty.  
M: What else was in the bag?  
W: Just my wallet. I left my driving license at home.  
M: Was the bag expensive?  
W: No, it was an old one. It wasn't big enough really.  
M: Now what time did you lose it?  
W: Well, I left home at about nine thirty and the bus ride took half an hour. So I must have lost it at about ten o'clock.  
M: Right. Well, I'll phone you tomorrow if we find it. Will you be home tomorrow morning?  
W: Sorry, I'll go out. But I won't leave until nine in the morning.  
M: OK, I'll call you before nine. Now, what's your number?

Well, boys and girls, let's turn to the important things for going to the United States this summer vacation. As you know, you are going to stay with a family for four weeks. The key point is money. You can take about \$ 1060 with you. I think that will be enough for everyone. When you arrive, you will be met by your new family. You must wear a red shirt. So the family will find you easily. They have been told that all of you wear red shirts. You will also need to take with you four photos of yourself and, of course, it's very important that you take the school letter that I gave you just now. If you have any problems there, you can call Leech School Office. I will give you the office phone number. It's 580-4436 and the person to ask for is Mrs. Baker. That is B-A-K-E-R. She is in the office from nine o'clock in the morning until five in the afternoon every day. Is everything clear? Be sure to get everything ready. Have a good journey!
