#### 4. 短文改错

I wonder if it's because I haven't been able to be outdoors for very long that I've grown so crazy about everything to do with the nature... For example, one evening when it was so warm, I stayed awake on purpose at half past eleven in order to have a good look the moon by myself. But as the moon gave far too many light, I didn't dare open a window. Another time five months before, I happen to be upstairs at dusk when the window was open. The dark, rain evening, the thundering clouds held me entire in their power. It was the first time in a year and a half that I have seen the night face to face...
